Position: Senior AI & Machine Learning Scientist

SUMMARY

Accomplished AI specialist with 6.5 years experience in Machine Learning, Deep Learning, and NLP. Proven success d

CORE SKILLS

- AI/ML: Machine learning, Deep learning, NLP, Scikit-learn, TensorFlow, PyTorch
- Data Engineering: Python, Pandas, NumPy, SQL, PostgreSQL
- Tools: Git, Docker, Linux

EXPERIENCE

VinAI Research (2021 - present)

Role: Senior AI & Data Scientist (3.5 years experience)

- Researched and deployed Transformer NLP models for conversational AI.
- Optimized inference speed using PyTorch and TensorRT.

PAST ROLES

VNG Corp (2018 - 2021)

Role: Machine Learning Engineer (3 years experience)

- Built recommendation algorithms processing millions of active user events.

EDUCATION

Vietnam National University (2016 - 2018)

Degree: Master of Computer Science (Thạc sĩ)

NOTABLE PROJECTS

Project Large-scale NLP Recommendation Engine (2022 - 2023)

- Implemented semantic text matching using PyTorch and PostgreSQL.

CERTIFICATIONS

- TensorFlow Developer Certificate (2021)
